EXPERIENCE

Chestnut Hill Benevolent Association 2013–2015

Marketing Communications Associate

- Increase audience and brand awareness through web marketing initiatives
- Turned rough initiative plans into online campaigns; design layout, produced illustrations/photos, editing
- Analyze web traffic trends and evaluate visitor interest and communicate to managers
- Produce and schedule monthly newsletters, including designing, developing, and editing
- Design both print brochures, web graphics, and videos

Sucre Shop 2012–2013

Project Manager

Learned the fundamentals of being part of a startup from design to manufacturing to marketing.

Pacesetter Claims Service 2011–2012

Assistant Catastrophe Claims Adjuster

Helping people recover from disasters was the ultimate lesson in humility and working under pressure.

US Cellular 2009–2011

Retail Associate

Working with angry customers made me an expert in handling crisis' calmly.
